THE GREAT WONDER OF THE NINETEENTH Says the St. Louis (Mo.) Democrat: Below we publish a letter to Dr. Wood, of this city, from a gentleman in Maine, which speaks glowingly of the superior morits of his hair tonic. Such evidence must have its effect when coming from a reliable source. If octificates are guarantees of truth, the Doctor needs no encoming nor uscless

Paor. O. J. Woon & Co.: Gentlemen: Having my attention called a flow months since to the highly beneficial effects of your hair restorative, I was induced to make application of it upon my own hair, which had become quite gray, probably one-third white; my whiskers were of the same character. Some three months since I procured a bottle of your Hair Restorative, and used it. I soon found it was proving what I had wished. I used it about twice a week. I have since proqued another bottle, of which I have used some. I can now certify to the world that the gray or white hair has totally disappeared, both on my head and face, and my hair has resumed its natural color, and I believe more soft and glessy than it has been before for twenty five years. I am now sixty years old; my good wife, at the age of fifty-swo, has used it with the same effect.

The above notice I deem due to you for your valuable discovery. I am assured that wheever will rightly use, as per directions, will not have occasion to contradict my statements. I am a clitze of this city and a resident here for the last fifteen years, and am known to nearly every one here and adjoing towns. Any use you may make of the above, with my name attached, is at your service, as I wish to preserve the beauties of nature in others as well as myself.

Вацимони, Jan. 23, 1858. WOOD'S HAIR RESTORATIVE.

Prof. Wood: Dear sir, Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever in New Orleans, in 1854, I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving the afflicted such a treasure.

The undersigned, J. K. Bragg, is a minister in regular standing, and pastor of the Orthodox Church at Brockfield, Massachusetts.

He is a gentleman of great influence and universally beloved.

It is seen that the area of Kansas is niceteen thousand square miles greater than that of all New England, New York, and New Jersey, and that the area of Nebraska is ninety five thousand miles greater than that of all the non slaveholding tates except California. Oregon is nearly equal in extent to all New England, New York, Pennsylvania, Ohio, and Indiana. It is possible that New Mexico and Meeilia will be embraced in one territorial organization by Congress at the present session, containing 288,000 square miles exceeding all New England, New York, Pennsylvania, Ohio, Indiana, and Illinois.
